

TRC FORUM

Interoperability within Knowledge Centric Systems Engineering.
November 30th - December 1st Madrid - Spain

USEFUL INFORMATION

VENUE

The TRC Forum 2017 will be held at the Engineering School of the University Carlos III of Madrid, located in the town of Leganés, to the south of Madrid. The address of the event venue is “Avenida de la Universidad, 30 - 28911, Leganés”.

The event will be held on the third floor in the Library building. **ROOM: “Sala de Juntas”.**

REGISTRATION

TRC Forum 2017 registration desk will be located in the main hall of library building. The registration starts on Thursday at 9:30h.

HOW TO GET HERE

Stop by train or subway: **Leganés Central**

From the airport: take the underground/metro line 8 to Nuevos Ministerios. Change to the commuter train line (Cercanías) and take any train going to Atocha station (C2, C3, C4, C7,C10). In Atocha, take line C5 in the direction of Humanes and get off at Leganés

Central. Upon leaving the train station from the main exit, turn left and walk straight on for 5 minutes until you reach the University.

From the AVE: in Atocha station take the commuter train line (Cercanías) C5 to Leganés Central. Upon leaving the train station from the main exit, turn left and walk straight on for 5 minutes until you reach the University.

From the centre of Madrid: the quickest way is to take the metro line 1 to Atocha Renfe station and then take the commuter train line (Cercanías) train C5 to Humanes and get off at Leganés Central. Upon leaving the train station from the main exit, turn left and walk straight on for 5 minutes until you reach the University.
